BATTING LINEUP This is a non sanctioned tournament so teams can bat their entire roster and substitute freely on defense, if this option is chosen a team must declare roster batting before the game begins and stick to that choice for the entire game. Because this is the teams choice, if a player leaves the lineup for any reason that spot in the order will be an out until the player can return. You can also choose to play 9 in your order with 2 EP. Once again this choice is made before the game begins and stays your choice throughout the game.

POOL PLAY TIE-BREAKERS

- 1. Head to Head**
- 2. Runs Allowed**
- 3. Runs Scored**
- 4. Coin toss**

*****If there are more than 2 teams tied then head to head is thrown out and we will use Runs allowed**

A forfeit is considered a 7-0 win.
